

Keeping Current

Memorial Day 2020 ... remembering

As we pause on May 25 to honor and remember the great people who made the ultimate sacrifice for our country, I would like to share with you my memories of this day as I was growing up in Ortonville, Minnesota.

My best wishes to you for a peaceful Memorial Day. Raise your flag. Place graveside flowers. Wear a poppy. Honor the sacrifice of brave service members by [registering to vote](#) so you can be a part of what happens in our democracy.

I am Tami Calhoun and I am ready to get to work.

Let's build community together.
